RESPONDING TO THE WORD

Leader: This wondrous Easter Sunday allows us to approach the Lord’s Table with gratefulness and praise because we can celebrate Holy Communion with the church universal. Everyone that believes in Christ as Savior is welcome at the Lord’s Table. This morning we celebrate Holy Communion with our hearts filled with joy as we follow our Lord’s example and show the world that we declare Jesus as Savior.

***Unison:* We enter into this celebration with hearts filled with appreciation because Christ has made us worthy through the brokenness of His body and the shedding of His Blood. We eat this bread and drink this cup with love and thankfulness in our hearts. We ask that our celebration at the Lord’s Table will give glory and honor to Christ and His Church.**
