The beautiful Christmas cantata to be presented is entitled "Child of Hope" by Mark Hayes. The message in this musical rendition is timeless! Over 2,000 years ago, people felt discouraged, alone, and weary as they yearned for the promise of hope! Are we any different today? God fulfilled this promise then and now with the gift of a Child – a Child that has brought us hope and salvation! Come, listen and celebrate as we sing praises for His gift of mercy and love!
