The Lord's Prayer

Prayer of Adoration and Confession **Unison prayer**

O Gracious Lord, your promise of hope comes to us wrapped in anticipation and expectation. Though the sun may be darkened, though the moon may cease to give forth its light, we will continue to thank you. A new day is dawning- a day when we will see Jesus coming with power and glory.

Father, we often hide from times of new growth and transformation. At a time when we should burst forth with new life, we fade like autumn leaves touched by a cold, north wind; we hibernate like bears in winter, waiting for the thaw. While we do not deserve it, forgive us we pray, and let your face shine upon us, that we may be saved.
